## FUNCTIONS & EVENTS

Devonvale is a very popular venue for conferencing & weddings as we conveniently have everything under one roof, and strive to exceed all expectations in the hospitality department. Our conference facilities can cater for up to 280 delegates in three different venues. All rooms are air-conditioned.

## CONFERENCE ROOM 3 - WINE TASTING ROOM

Our third and most intimate venue is our Wine Tasting Room. This is used for groups from 2 to 12 delegates, for breakaway groups within a workshop or of course, wine tasting after your conference. If you are looking for a meeting venue away from the office, or a smaller, cosier environment, the Wine tasting room is perfect for your needs.
